3 Click on Choose a location and plan

Hi there, let's get started!

Before you begin your search, we need a location to find in-network places nearby. You can use an address, city or zip code to get results.

It just takes a couple of seconds to complete, and then you can search for providers, hospitals, specialists and more.

Choose a location and plan

4 Enter your zip code or select Use my current location. Then click the green box.
