Getting Started

An introduction to your plan.

Understanding Your Plan

A Health Reimbursement Arrangement (HRA) is an account that has been established in your name by your employer. The money that your employer deposits into your HRA is tax-free, and upon eligibility, can be used to reimburse you for your eligible medical expenses. For more information on how the HRA operates and to see if you're currently eligible to receive reimbursements, please review the attached **Plan Highlights**.

Health & Welfare Portal

You can access your account online through MidAmerica's Health & Welfare Portal at <https://midamerica.wealthcareportal.com>. The Portal is an interactive website that gives you around-the-clock access to plan details, online claims submission, forms, system guides and *much more*.

MidAmerica Benefits Debit Card

You will receive a MidAmerica Benefits Debit Card to pay for eligible medical expenses, reducing the need for claim forms. Hold on to those receipts, though! When you swipe your card at the point of sale, any transaction with eligible, plan-established Merchant Category Codes (MCC) will be approved; however, we may still ask for documentation to verify its eligibility under your plan design. For more information on your MidAmerica Benefits Debit Card, please review the Debit Card FAQ on page 5.

MidAmerica Mobile

You are encouraged to download MidAmerica Mobile, a powerful, on-the-go mobile app that gives you the freedom to submit your claims, ask a question or view your account anywhere at any time. To download, go to your Apple or GooglePlay app store and search "MidAmerica Mobile."

Debit Card FAQ

Common Questions about Required Documentation

How do I know if documentation is required?

Your debit card purchase may be auto-approved. However, if documentation is needed to substantiate your purchase, we will send a request via email, if we have an email address on file, or USPS.

Why was my expense approved at the point of sale if I still have to provide documentation?

The purpose of your debit card is to prevent out-of-pocket payments, which means no waiting around to get your reimbursement! Receipts may be required, however, per IRS regulations.

What documentation is required?

- **Explanation of Benefits (EOB)**
An EOB returned to you from the insurance carrier indicating the amount for which you are responsible.
- **If there is no insurance for the healthcare expense, request an Itemized Receipt**
Be sure to request an itemized receipt every time you use your MidAmerica Benefits Debit Card.
- **If an Itemized Receipt is Not Available**
Request documentation on the letterhead of the licensed healthcare provider that details the service(s) provided and the cost per service. Be sure to include this with your transaction receipt.
- **Pro Tip!**
Keep your medical receipts in a safe location so they're easy to locate if needed.

How do I submit documentation?

- **Online**
Upload your receipt through the Health & Welfare Portal at www.mywealthcareonline.com/midamerica.
- **From Your Phone**
Download the MidAmerica Mobile app, snap a picture of your receipt with your phone and upload it right from the app! To download, go to your Apple or GooglePlay app store and search "MidAmerica Mobile."
- **Email**
Email your receipt to claims@myMidAmerica.com.
- **Mail**
Mail it to P.O. Box 24927, Lakeland, FL 33802

If we do not receive the requested documentation within 30 days, we will send a 2nd notice via USPS. If we do not receive the documentation after 60 days, the card will be temporarily suspended until documentation is submitted.

How can I make sure my purchase is auto-approved?

- **Establish a Recurring Claim**
The first time you use your card to pay for a recurring expense, you will be asked for supporting documentation such as a statement or itemized invoice from the insurer, or a receipt. Once this has been provided, all purchases for the same expense at the same merchant will be automatically approved throughout the plan year.
- **Shop at IIAS Merchants**
Many major pharmacies are registered as Inventory Information Approval System (IIAS) certified. This means you may see an F or FSA next to eligible items on your receipt. The pharmacy's IIAS system allows them to differentiate between eligible and ineligible expenses, making it possible for eligible HRA and FSA products to be automatically approved at the point of purchase.
- **Ask if Copayments Have Been Established Under the Plan**
Copayments that have been established under your employer's Group Health Plan can be used as a substantiation method. For example, if we have on file that there is a pharmacy copay of \$30 and you use your card to make a \$30 copay payment at a pharmacy, the transaction would be automatically approved.

Does my card remain in effect from year to year?

Yes. Your existing MidAmerica Benefits Debit Card will carry whatever funds are rolled over or contributed.
